### About Career Focus

Career Focus provides funding for employers and organizations to create career-related work experiences for post-secondary graduates. The program is part of the Youth Employment Strategy, a horizontal initiative involving eleven federal departments and agencies.

Career Focus helps post-secondary graduates gain advanced employability skills and facilitates their transition into the labour market. The projects are delivered at the local, regional, and national levels.

**Who Can Apply:** Businesses, Organizations (including not-for-profit), Public health and educational institutions, Band or tribal councils, Aboriginal organizations, and Municipal governments. For more information, [click here](#).
